Excluding the period of 1 year + 24 days during which he was on leave on medical certificate, and excluding also the non-qualifying service noted in the margin, the total period of qualifying service put in by Mr. B. Srinivasa Rao amounted to 24-1-3 y. m. d, which entitled him to a pension computed for 24 yrs on the last 5 yrs' average as verified and reported on by the Comptroller, and the same amounting to Rs 75/1/3 was sanctioned

Mr. Pigot says that he feels bound
to inform Govt of the above
recommendation that his
predecessor (Col. Campbell Walker)
intended to make.
For his own part Mr. Pigot says
that in view of the fact that Mr.
Seeniverasha was compulsorily retired,

he would be inclined to support Colonel Walker's intended recommendation if the latter officer were of opinion that Mr. Srinivasa Rao was not mentally in sound health at the time of his retirement, as borne out by the medical certificate granted by the Senior Surgeon.

The medical certificate, which is enclosed in the Comptroller's letter No. 5850/585 d: 23d. March 1899, makes no mention of the state of mind of Mr. Srinivasa Rao

The points in favor of Mr. Srinivasa Rao are ——

(1) that he was compulsorily retired,

(2) that Col: Campbell Walker has placed it in writing that he intended to recommend the condonation of the deficiency in Mr. S's superior service under Art 275 A of the Mysore Service Regns"

(3) that Col Walker thought, from personal knowledge of the Petitioner, that he was proper probably

not quite sane or responsible
for his actions in writing

and (4) that he rendered long
service of nearly 4 years
which has not been taken
into calculation in reckoning
his service towards pension.

On the other hand, it
had to be said that his retire-
-ment was hastened in con-
sequence of his inefficiency in
the discharge of his duties and
disobedience of orders, and
quarrelling with his superiors
and subordinates.

appended a note on the margin, that Mr. Sreenivasa Rao has some ground for complaint. The correspondence ending with Government Order No. 11019 P 20 / F.F. 91-95 dated 19th May 1898 will show that, in the interest of the public service, it was found expedient to compulsorily retire Mr. Sreenivasa Rao at a comparatively early age. When the Government Order referred to was communicated to him, he represented his grievances in his letter dated 13th June 1898 to the Deputy Commissioner of Mysore, and requested that, as he had to put in 11 months further service to make up 25 years of eligible service to entitle him to full pension under the Regulations, he might be permitted to continue in service for that period; or that the deficiency might be made good, by condoning the interruption in his service caused by his absence on Medical leave in 1896, or by taking into account so much of his boy service as was required. The Deputy Commissioner supported the application having regard to the special circumstances of the

case and recommended that the break in Mr. Sreenivasa Rao's service might be condoned. In his letter No. 35/5 of 2nd July 1898, Colonel Walker informed the Deputy Commissioner that he would be prepared to support the Deputy Commissioner's recommendation on receipt of the pension application. When subsequently the pension application was received, the Comptroller was requested, to verify the service rendered by Mr. Sreenivasa Rao and send the pension papers through the office to Government, as had been instructed in Government Order No. 11019-20/H.A. 91-95 of 19th May 1898. But as the Comptroller sent them direct to Government under the provisions of Article 475(a) of the Pension Regulations, Colonel Walker had no opportunity, I believe, to make the special recommendation which he had wished to do.

3. In reference to the original pension application indicates that the superior service rendered by Mr. Sreenivasa Rao amounted to 24 years 1 month and 13 days, and that there was an interruption in service as he was on

C. leave for 10 months and 23 days.

This period was not taken into account in

accordance with the Codal Rules. The present representation of Mr. Sreenivasa Rao is that if the interruption had been condoned he would have got his full pension.

2. In conclusion I beg to add that though under Article 479 (b) of the Service Regulations the proposed indulgence should not have been communicated to the Officer concerned (I cannot say who communicated it to him), yet I feel bound to inform Government of the recommendation which my predecessor intended to make. And in view of the fact that Mr. Sreenivasa Rao was compulsorily retired, I should be inclined to support Colonel Walker's intended recommendation if the Senior Surgeon's certificate of incapacity, forwarded with this Office C. No. 5 dated 30th April 1898, supported the late Conservator's view that Mr. Sreenivasa Rao was not mentally in sound health at the time of his retirement.

The medical certificate referred to in Confidential No. 5585 dated 23/5/98.

Sir

With reference to your No 358/623 dated 28 April 1900 I beg to submit that immediately after I received the order of my retirement from the Service I represented to Colonel Campbell Walker your predecessor the Serious and undeserved hardship which the measure had entailed upon me and prayed for his kind consideration of certain alternative reliefs, of which the boon of getting or rather securing to me full pension by letting me the short piece of 10 and odd months to make up the full amount of Service of 25 years with one - So that Colonel Walker kindly consented (Vide Correspondence ending with your Office No 2X 35/5 dt 2 May 1899) Probably on the basis of this recommendation the Government of Mysore sanctioned the payment of an Extraordinary pension of Rs 92/- which I drew for more than a year - But to my great surprise my final pension has been now fixed at Rs 75-13, thereby leaving room to doubt whether such an

I shall thank you to favour me with
a reply to that effect, with a copy

me to move the Government in the
matter, the pension being in the

subject induces it desirable to try to

is that my official Career should have been thus minced when there is but only 11 months service yet to put me to make up just 25 years of eligible service to entitle me to half pension.

2. As you are aware, I have Contributed very little to what has happened to me and did not propose equipped nor prepared for this sudden Calamity. I request the favour of your interceding with the Government on my behalf through the Conservator of Forests either (1) to permit me to Continue in service till September 1899 or (2) to Condone the break in the service Caused by my departure on Sick leave on half pay in 1896 or (3) to recoup the deficiency or break in the service out of four years, which are likely to be treated as service rendered prior to the age of 20, the total length of my service being 29 years and one month.
